

## **Pro-Tech Industries, Inc. to Present at the 2009 RedChip New York Equities Conference**

Sacramento, CA: September 25, 2009, Pro-Tech Industries, Inc. (OTCBB: PTCK), a regional leader since 1995 in design-build infrastructure services for fire protection, alarm and detection, telecommunications, network services, specialty flooring and electrical contracting, announced today that Don Gordon, Chief Executive Officer, is scheduled to make a presentation on behalf of Pro-Tech at the 2009 RedChip New York Equities Conference being held in New York City on September 30th and October 1st, 2009. The Company's presentation is scheduled for 3:45 pm Eastern time on Thursday, October 1, 2009 at the NASDAQ MarketSite (4 Times Square, at 43rd and Broadway).

During his presentation, Don will provide an overview on Pro-Tech Industries, Inc. and will highlight the Company's history, growth, and future developments. Of particular interest will be a review of the Company's ability and efficiencies in coordinating concurrent bidding for a wide array of services. In addition, Don will review Pro-Tech's expertise in successfully winning military contracts and satisfying the unique requirements associated with government projects. "We believe Pro-Tech has a good history and a bright future. I am very much looking forward to this opportunity to present our Company at RedChips' conference," commented Don Gordon in anticipation of next week's events.

Company presentations will be webcast live and archived for 90 days at <http://www.RedChip.com>.
