

Pro-Tech Industries receives additional telecommunication certifications from industry manufacturers

Sacramento, Ca, Pro-Tech Industries (OTCBB: PTCK), a leader in design-build infrastructure services, has announced that its Telecommunication Division has received the additional manufacturer certifications: Tyco Electronics, Superior Essex, and Hellermann/Tyton. These manufacturer certifications allow our telecommunication division to respond to bids (i.e. Request for Proposals, etc) where other non-certified contractors cannot participate.

Patrick Quarry, Director of Business Development for Pro-Tech Industries Telecommunication Division, commented, “These certifications provide us with a competitive advantage and will present new opportunities for our division”.

About Pro-Tech Industries, Inc.:

Through its wholly owned subsidiaries, Pro-Tech Fire Protection Systems Corp. and Conesco, Inc., Pro-Tech Industries, Inc. provides design-build services in the following infrastructure segments: Fire Protection, Alarm and Detection, Telecommunications, Network Services, Flooring and Electrical Contracting. These services are provided to the Commercial/Industrial Sector, Fortune 1000 companies, and Federal, State, and Local government. For more information please visit <http://www.pro-techind.com>.

Forward Looking Statements

Statements about the company’s expectations, including revenue and earnings and all other statements in this press release, other than historical facts, are “forward looking” statements and are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward looking statements involve risks and uncertainties and are subject to change at any time. The company’s actual results could differ materially from expected results. In reflecting subsequent events or circumstances, the company undertakes no obligation to update forward looking statements.
